Square, an enchanting showcase of
transformative interior design projects
that offer a captivating glimpse into a
mesmerizing future of boundless
creativity.

ARCHI REVI

The students of Portugal's faculties
of architecture, engineering, and
design have been challenged by
Revigrés to create an intervention
project in an existing place using an
original viewpoint and with an impact
that can be seen and felt. The top 20
will be displayed at Archi Summit
2023.
